

Hello Anne-Marie,

Well, I don't even know where to begin. Thank You just doesn't seem adequate. You and the entire staff made our daughter's wedding a huge success. When Sarah and I started planning her wedding, we had a vision of an elegant, romantic feeling set-up. You and your staff actually brought it to life and exceeded our every expectation. Everything was absolutely outstanding. The set-up, decor, service, food and every little detail was beyond perfect. Our guests were in awe of the beauty, service and amazing food. Camelot was the perfect setting.

Your Chef 'George Laurier' is an outstanding and very talented Chef. His entire meal (apps, main course & desserts) were beyond delicious. Every one of the servers and bar tenders (especially Missy & Bridget) were so professional. Missy and all of you who worked on the set-up had the room looking exactly as we wanted. I could not have been happier.

All weddings have glitches but I am hard pressed to find one. You guys were just outstanding.

Thank you all from the bottom of my heart. You played a very major part in making Sarah's Wedding a 'Dream Come True'.

Sincerely,
Donna Quintal

Also, once I receive the photos from the photographer, I will send a few to you.
