

Dear Anne-Marie,

Thank you for accommodating our family dinner on Sunday. The entire family was impressed by the facility, the food and the careful attention to our needs and requests.

I would like to commend the efforts of Sam and Missy for making our dinner so enjoyable. They were truly attentive and thoroughly professional. The food was wonderful and no one left with room for another morsel. We are looking forward to working with Georges for a special meal for some of Angie`s colleagues with a bit of fore-planning and preparation.

Angie and I are very happy we made a decision to join Camelot. After years of finding reasons not to, we are happy we ran out of excuses and decided to pull the trigger. The professionalism of your staff was on full display and we intend to do more entertaining at the club in the near future.

Thank you again. We couldn`t have been more pleased.

All the very best,

Stan Stoker
