

Morgan Reception August 17th

Hello Anne-Marie. I just wanted to give you some positive feedback on the evening. I thought everything was very well organized and I liked the table layout and set-up. It made for a worry free evening. We had lots of great feedback about the beautiful view from those that went out on the balcony. Pretty much everyone that we spoke to couldn't say enough great things about the food that was served from the quality, quantity and variety. We were very pleased and should the occasion arise again I wouldn't hesitate use Camelot or to recommend the facility. Please relay our high satisfaction with the food & menu on to the kitchen staff. Thanks again for making the evening a success.

Tonia & Bruce Morgan
